Hi Kevin,

I have given a cursory review of R9 comments and Brenda's first "stab" at addressing. I will provide some input. But, I have two sites that I have to get funding planned by Monday for EPA Contractor (as per my Branch's direction) and might not be able to get to this before our gathering on Monday.

Hi Mark and Brenda –

Attached are the follow-up questions from R9 regarding the GW investigation and the listing.

Rather than do full-blown presentations for the webinar, I'd like to just go over each question in order with Region 9 and use Adobe Connect for visuals as necessary. You both have provided multiple presentations and drafts, so I see no need to do so again. Your thoughts?

Kevin
